

Janine L. Fogarty, MD

Janine L. Fogarty, MD is Board certified in both Diagnostic Radiology and Hospice/Palliative Medicine. She was a partner in Borg Imaging/Borg and Ide Imaging, a private radiology practice in Rochester, NY, for 18 years. She resigned from Borg and Ide Imaging in 2012 due to a medical issue leading to partial loss of vision. While caring for a friend dying from breast cancer, she discovered the field of Hospice and Palliative Medicine. In 2016, she completed her fellowship in Hospice and Palliative Medicine and joined the Palliative Medicine team as an employed physician at Unity Hospital in Rochester, NY. During her time at Unity Hospital, she served as interim Division Chief for Palliative Medicine in addition to Chief of Ethics. She retired from her position at Unity Hospital in December 2021 and continues to be involved in the hospice and palliative care community. She been member of MCMS since 2004 and has been past President for Rochester Academy of Medicine. She has been actively involved in MSSNY since 2014 and has served as Councilor for the 7th District of MSSNY, Vice Commissioner for Education and Public Health. She is currently Co-chair of the Bioethics Committee and President-Elect for Monroe County Medical Society.
