3) The Lincoln Series.

(Continued)

Political Parties

National Level

Republican National Committee (RNC)

Democrat National Committee (DNC)

State Parties

Democratic Party of Illinois

Illinois Republican Party

There are Also

County Parties for each side

Local Parties for each side

Legislative Campaign Committees

If you want to run for any of the following legislative offices, each level has their own campaign committee, by party.

U.S. Senate

DSCC – Democrat Senate Campaign Committee

NRSC – National Republican Senatorial Committee

U.S. House of Representatives

DCCC – Democrat Congressional Campaign Committee

NRCC – National Republican Congressional Committee

Additionally, there are campaign committees for each party for the State Senate and State House/Assembly in each state.

The above is a partial list of training programs. Some of the organizations offer additional listings on their websites.

If you are not interested in running for office, you can support others by getting involved in local organizations to meet like-minded people and learn what it takes to win elections.
