

Maria A. Kennah

Executive Healthcare Financial Leader

Rochester, NY | andykennah@gmail.com | 541.916.9172

Maria A. Kennah is an accomplished finance and operations executive with more than two decades of leadership experience in Federally Qualified Health Centers (FQHCs), community health systems, and nonprofit organizations. She is widely recognized for her ability to strengthen fiscal health, drive operational excellence, and align financial performance with mission-driven goals.

Throughout her career, Maria has managed complex budgets exceeding \$70 million and led teams of more than 150 employees. She has held senior leadership positions including Chief Financial Officer, Chief Executive Officer, and Chief Administrative Officer, overseeing consolidated financial reporting, budgeting, and compliance across diverse healthcare environments. Her strategic leadership has guided organizations through growth, restructuring, and transformation while ensuring fiscal discipline, transparency, and operational integrity.

Maria is a firm believer that an organization's success depends on the engagement and empowerment of its staff. As a servant leader, she fosters collaboration, mentorship, and shared accountability, ensuring every team member has the tools and confidence to succeed. She is deeply committed to earning the trust of the entire organization by promoting transparency and delivering meaningful, actionable financial insights that enable informed and strategic decision-making. Her work across healthcare systems in Wyoming, Oregon, Alaska, Texas, Idaho, Arizona, and New York has provided her with a broad understanding of regional and organizational approaches to healthcare delivery and financial management—an asset that allows her to identify best practices and tailor solutions that strengthen system-wide performance.

She is highly regarded for her governance expertise, having successfully directed HRSA and federal grant programs, implemented advanced accounting and payroll systems, and led annual audits in accordance with GAAP standards. Her focus on data-driven decision-making and process optimization has enhanced performance, strengthened compliance, and improved financial outcomes across multiple organizations.

Maria holds a Master's in Business Administration and a Bachelor's in Systems (Efficiency) Engineering. She is Lean Certified and has completed certifications in Organizational Development and Leadership & Communication Training.

An active community leader, Maria has served on several boards, including the Wyoming Primary Care Association (Treasurer) and the Sheridan Chamber of Commerce. Fluent in English and Spanish, with strong proficiency in French, she brings a global mindset and a leadership philosophy grounded in integrity, service, and collaboration.
