

Zina D. Cary
Vice President of Legislative & Regulatory Affairs
Medical Society of the State of New York (MSSNY)

Zina joined MSSNY's Division of Governmental Affairs (DGA) team in December of 2019. Prior to MSSNY, she worked as an independent health policy consultant for seven years and has more than three decades of experience leading issue campaigns at the state and federal levels to increase access to critical health care services and programs including cancer clinical trials, prior authorization reform, payment parity for Telehealth services, Medicaid, Medicare, and a host of other issues impacting physicians and patients.

She has held leadership positions with the Leukemia & Lymphoma Society (LLS), the National Health Council (NHC), and served as a legislative analyst for Assemblyman Richard N. Gottfried, Chair of the New York State Assembly Health Committee in Albany, NY.

Zina has a Bachelor of Science degree in Environmental Studies, from Northland College in Ashland, Wisconsin and can be found traipsing through the woods with her sweet pup, Roxy, in her downtime.
